

Carbon Fiber Lightweight Cylinder

Increased Performance due to Weight Reduction

Photo: Putzmeister AG

Technical Data:

L&S-Cylinder Series	L-97.213
Cylinder Type	Differential Cylinder in Ultra Lightweight Construction
Field of Application	Mobile Concrete Pump
max. Operating Pressure	350 bar (5,800 psi)
Proof Pressure	450 bar (6,530 psi)
Force Range	-1,100 ... 800 kN
max. Stroke	1,750 mm (68.9 in)
Mass	298 kg
